

Compostability certification

- The two biopolymer compounds for BioAmmo's cases and wads are certified as compostable biodegradable bioplastics by **TUV Austria OK compost INDUSTRIAL**.
 - 0 16-2169-C
 - TA8012004430
- The OK compost INDUSTRIAL certificate is based on:
 - The EN 13432 standard
 - 4 tests: Disintegration, biodegradation, ecotoxicity and heavy metals.

INDUSTRIAL COMPOSTING:

Temperature: 58°C

90% biodegradation in a maximum of 6 months
